97% of customers buy only once (3.04% repeat rate), so growth depends on constantly finding new customers. Active sellers grew from 1,116 to 1,266 between April and August while orders fell, so each seller sells less. Cancellations are low but rose from 0.22% to 1.29%. The 10 biggest sellers are all in São Paulo and earn about 12.6% of revenue.
